Treatments and medications will be administered under instruction and consultation with our retained veterinarians. Dosages and duration of treatments can vary depending on the horse and the circumstance. For serious matters or prolonged treatments we will contact you for approval prior to administering.

Veterinary Costs

Veterinary costs for treatments, medications and surgeries performed by our veterinarians will be charged directly to the owners. Ownership details of each horse residing at Torryburn will be passed on to our service providers. For specific costs relating to their services, please contact Paddy Todhunter of Newcastle Equine Services (49-276135) or Peter Tabak of Maitland Veterinary Clinic (49-343044).

Farrier

Our specialist retained farrier will bill us directly per service performed. We will then bill this to you at cost.

Transport

Torryburn Stud has its own modern and well appointed horse transport vehicles and prefers to transport all horses under the farm's care wherever possible (other livestock carriers are used only where necessary – if an outside carrier is used they will generally charge direct).
