

## Directions to Torryburn Stud

Torryburn Stud is located in the beautiful Paterson valley just over 2 hours north of the F3 freeway exit from Sydney.

The Stud is accessed easily from either north or south from the Pacific or New England Highways as well as the F3 freeway. Follow signs on any of these major roads to **Maitland**.

At the large roundabout next to **Maitland train station**, follow signs to **Paterson**. Further directions to Paterson are well sign posted. Follow the one road to Paterson (approximately 18km), along the way travelling across the Hunter River and through suburbs of Lorn and Bolwarra, past Tocal Agricultural College and on to Paterson.

At Paterson, turn left at **Gresford Road** (the T intersection at the Post office), and continue over the rail line and follow the signs to the small town of **Vacy**. Continuing on the same road for about 8km, head towards Gresford until **Torryburn Road** appears on the right. Turn into Torryburn Road, Torryburn Stud is then 2.5km on the left.
